**Durr Heavy Construction** is a woman-owned construction company based in Southeast Louisiana specializing in site preparation, demolition, underground utilities, paving and disaster recovery. We provide the best in “horizontal construction” by having experienced and qualified people utilizing cutting-edge technology and a multi-million dollar fleet of up-to-date equipment.

Delivering solutions and utilizing best practices and the latest technology, combined with creating new ideas and innovative thinking, keep Durr at the forefront as a true industry leader.

**JUMP-START YOUR CAREER** For college students and recent grads, Durr offers multi-dimensional opportunities, a chance to work with industry leaders and the perfect way to get your foot in the door. Through paid internships and entry-level positions, you gain practical job experience in various facets of construction management along with personal and professional development that will be invaluable in your future career.

**FURTHER YOUR CAREER** We consider career development a life-long learning process and a critical element of our corporate culture and our company’s future growth.

Durr is committed to continuously developing and promoting our people at every stage of their career. Durr’s programs, such as the Project Management Academy and our Peer Groups, are designed to bring out the leader in you.

## Building a Career...

**WITH PEOPLE WHO CARE** Durr offers an inclusive and diverse environment where we want our employees to be involved in the local communities in which they live and work. We encourage volunteerism through year-round activities, commitment to sustainability, social responsibility and giving back.

Durr offers exciting prospects for **graduates** and those with professional experience. You’ll experience working with skilled team players on exciting and challenging assignments.
